

Welcome to Diyan Techno World

1. Diyan Techno World, established in 2020, is a global IT-Services company focusing on Web Development, Software Development and SEO Services.
2. We provide a complete suite of IT services in the Business Applications Domain, specializing in multiple verticals including Industrial Services, Healthcare Services, Education and Allied Industries.
3. We deliver highly innovated solutions by bridging the gap between business and technology. We also aim at solving and satisfying complex requirements of clients from all over the world.
4. We have full-fledged offshore development all over the globe.
5. The team members individually have been in this field since many years and so it has now become a strong team of skilled and experienced IT experts.
6. We have a cluster of customers of diverse sizes ranging from bundling the businesses to Large Enterprises.
7. These are the companies who have acquired our services to employ professional IT solutions to generate revenue streams.
